

# Qualifying Base Products for Older KOMPLETE Upgrades and Crossgrades

During the course of time Native Instruments offered a variety of discounted crossgrades and upgrades towards KOMPLETE (ULTIMATE) bundles for owners of certain qualifying base products. The following charts show which base products are required to qualify for an upgrade or crossgrade to the various older generations of KOMPLETE (ULTIMATE) bundles.

If a base product qualifies for a certain version of KOMPLETE 8-11, it also qualifies for the same KOMPLETE ULTIMATE generation.

## KOMPLETE 11

All current versions of MASCHINE, MASCHINE MIKRO, MASCHINE STUDIO, MASCHINE JAM and KOMPLETE KONTROL are including the KOMPLETE 11 SELECT bundle. This bundle automatically qualifies for the upgrade to KOMPLETE 11 (ULTIMATE). You can find additional qualifiers in the table below.
